Subj: Uniforms - Uniform of the Day for District, Division and Flotilla Meetings

Ref: District Commodore Administrative Memorandum 11-03 Rev 2

District Commodore Administrative Memorandum (DCAM) 11-02 dated 4 February 2011 canceled DCO Memorandum "Uniforms" dated 31 December 2009, and provided guidance for the uniform of the day for public events. This DCAM provides additional uniform guidance for other *non-operational* situations.

The Tropical Blue Uniform or Service Dress Blue Uniform will be the Uniform of the Day at District, Division and Flotilla meetings. Consistent with the Auxiliary Manual, the Winter Dress Blue Uniform is an acceptable alternative for the Service Dress Blue Uniform from **1 November** through **30 April** of the Coast Guard Fiscal Year. There will no longer be a requirement that everyone at a District, Division or Flotilla meeting be in the same uniform, however, the only choices available are those listed above.

The Uniform of the Day for Division Changes of Watch shall remain the choice of the Division Commander. The Uniform of the Day for D-Train [formerly known as the District Conference] will be the choice of the District Commodore.
