

## MISHAP REPORTING

- ❖ Mishap reports are required whether it's a "dinged" propeller, twisted ankle or a facility T.O.W. or aircraft crash.
- ❖ Possibly important info/lessons learned to the rest of the membership.
- ❖ Mishap reports are submitted directly to the DIRAUX by:
  - lead Instructor;
  - Coxswain;
  - Pilot;
  - PWC operator, or
  - Member (MISHAP victim)
- ❖ Submit reports via email within 48 hours of mishap.
- ❖ DIRAUX will assign class of mishap and forward it on to CHDIRAUX and MLC LANTAREA.
- ❖ CHDIRAUX will release to the members via the web site and track the mishaps.
- ❖ Eventually this report will be on the Web with fill in the blanks and routing information.
- ❖ The only name in the report will be the name of the person submitting the report.
- ❖ Any questions on filling out the report contact D11S Operations Training Officer, (310) 732-7290
